Free and Open to the Public  
Students and researchers from all majors and fields are welcome
- Job opportunity  
The Four Mile Fire Crew is accepting applications for a seasonal wildland firefighter position. The position is desired in order to make progress on our several large-scale fire mitigation projects while still participating in the new Boulder County Type 2IA hand crew, sending Four Mile's engines on dispatch and maintaining appropriate in-district staffing.  
This is a totally entry-level position, with no required experience or qualifications. Four Mile will provide the basic wildland firefighter training, and the Fire Crew will train the selected applicant on fire mitigation.

Mitigation and wildfire assignment will be the primary responsibilities for this position.

This position would be ideal for a college student, or for somebody looking to get their foot in the door for a career in wildland fire.

  - Listen to the whole first story, about 12 minutes
  - Asking questions of your teammates, and listening to them can offset the effects of jerks, slackers and depressives.
- Meet your team
  - What will you expect of them?
  - What do you bring? What are you willing to offer?
