

teamLab

“teamLab (f. 2001) is an international art collective. Their collaborative practice seeks to navigate the confluence of art, science, technology, and the natural world. Through art, the interdisciplinary group of specialists, including artists, programmers, engineers, CG animators, mathematicians, and architects, aims to explore the relationship between the self and the world, and new forms of perception.”-teamLab Website

Immersive Spaces

teamLab★

The logo for teamLab, featuring the word "teamLab" in a white, sans-serif font, followed by a blue five-pointed star. The entire logo is set against a dark, textured background that appears to be part of a digital art installation.
